INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

No. 8366 Action: Reject

Name Ida Bowers and 2 children. Residence: Tallahassee, Okla.

Reasons:

Applicant claims only through father who is claimed to be the illegitamate child of Robert Rogers. Applicant's father was living but not enrolled in 1851 by Chapman while his alleged brothers and sisters were. Applicant's father was living in the East in 1884 but was not enrolled by Hester at that time. Neither was applicant or brothers and sisters enrolled in 1884. No sufficient evidence is produced that father of applicant was ever recognized by Robert Rogers as his son. Applicant now resides in the Creek Nation and one child enrolled by the Creeks. Husband is a Creek.

My parents were married in 1856 with a Cherokee Indian (or citizen) of Indians:--- My maternal grandmother was a full blood Cherokee Indian; my father was a half breed Cherokee Indian, and I am a full blood Cherokee Indian.

Neither of my parents are citizens of the Cherokee Nation, but were at the time of their death citizens of the Cherokee Nation..

Respectfully yours.,

Walter S. Rogers being first duly sworn, deposes and says:

I am 38 years of age. I was born in Georgia. Left there in 1886. My Dawes Com. number is 32488. I got the strip payment. My Indian blood is derived from my father, Geo. M. Rogers. My mother was white, My father was born in Georgia and came here in 1886 with the rest of the family. He died in 1900. He was born before 1851. I know that he lived in Georgia when a young man, but I don't know what county. Jack and Ed Rogers were the two brothers of my father. Jack moved West since 1886. He is living at this time. Elizabeth Rogers was my mother and she was a white woman. My father's father was Robert Rogers. Think he was living in 1851. I never saw him. Robert Rogers was living in Georgia in 1851. Dont think he ever came West. I lived in Bartow Co., Ga. Don't know in what county Robert Rogers lived.

Signature of Witness.

Wm. H. Rogers, County Treasurer, states in behalf of above:

I know Walter S. Rogers; have known him about ten or fifteen years. He is a cousin once removed of mine. I have heard of his father, Geo. M. Rogers, who was the son of Robert Rogers. These people are regarded as Emigrant Cherokee Indians. Robert Rogers and my father, Henry C. Rogers were brothers.

Ida Bowers, being duly sworn, deposes and says:

My name is Ida Bowers: My age is about 45 years. I live in Wagonor County. I was born in Georgia. I came from there here; have lived here 22 years. I claim about 1/16 Cherokee blood. I was enrolled by the Dawes Commission, Cherokee Roll No. 12547. My son Paul, #12548; our other son is entered in the Creek nation as my husband is a Creek. Paul came too late to go on the first roll, and they let us enter him on the Cherokee Roll. I got the strip money. I think I got the bread money. It was the grass money we got. I get my Indian blood from my father, George H. Rogers. He is dead. We all came to the Territory together. He got the strip money but as dead at the time of the Dawes Commission. He was about 6[illegible] when he died. I do not know whether he was enrolled in 1851. I don't remember ever hearing him say. My father was born in 1841. I don't know any good reason for his not being enrolled. We proved our rights just a year before we came to this country. My father first came to Muskogee and then went to Tahlequah District. Ellen Harris was a half-sister to my father; Ellen Rogers, I suppose before marriage. Jack Rogers was a brother. Tom Rogers was a brother also. They lived here and came after we did, excepting Aunt Ellen, who came before we did,- quite a while. My father got his blood from his father Robert Rogers. I don't think he ever came West but lived in Georgia. I don't know whether he was enrolled, as I don't know very much about them. Albina Bell was his sister. I knew her. I don't know that I could give any reason for their not being enrolled. (I don't know who Joseph and John Rogers were.) Harry S. Davis of Muskogee, filled out my first application. William Rogers was my great-grandfather. None of my people were regarded as Old Settlers. None of them associated with any other tribe of Indians. Walter Rogers is a brother, and I have two others at Tahlequah. [illegible] father was an illegitimate child and that may have been the reason he may not have been enrolled in 1851. He has brothers and sisters with the same father but I did not know about it then. He was always acknowledged by his father and all our people. The other children always recognized him as a brother.

CAMPBELL, I. T.

G.Miller, Special Commissioner,

Dear Sir,-

Appl.#8370 C.H.B.

Answering your letter January 13th.

My father was born March 25th, 1832 in Perry County, Ky.

None of my people have ever been slaves, we being of true Indian Blood and not freedmen.

The reason my parents are not on the rolls is because my grand father would not leave Kentucky and come here with the Indians.

My grandfather, Pleasant Williams, resided in Perry County, Kentucky, in 1835 and 1851, dying there in 1904.

My great grandfather, John W.Williams (known as"Cherokee John") was born in Kentucky, and resided in Perry County, Kentucky in 1835 and in 1851.

Great grandfather, ~~and~~ John W.Williams, and his father, Phillip Williams, were undoubtedly on the rolls, as both lived there with the Indians all the time and my great great grandfather, Phillip Williams, was a minister among the tribe and lived with them until his death. The Cherokee name for williams is a little different from the English name, but I do not know exactly what it is in Cherokee. They were enrolled under the name Williams in Cherokee, whatever it is.

The above statements are true. Trusting they will be satisfactory, I remain

Yours truly,

Alford G. Williams

William Oscar Yates, being duly sworn, deposes and says:

My name is William Oscar Yates. My age is 56 years old. I live in Rogers County. Have lived here 8 years. I lived in Missouri and was born in Indiana. I was 13 or 14 years old when I went to Missouri. I was rejected by the Dawes Commission as they said I did not come here in time. I am a Cherokee by blood. I never made application for the strip money as I was not here in time. Get my blood from my father, Benjamin Franklin Yates. He died in 1883 in the Cherokee nation about 15 miles East of here. He came herein 1879 from Missouri. He made application in 1879 for citizenship but died before the time. The papers were in the hands of the Secretary of the Interior. He came from Kentucky to Indiana and from ther to Missouri. He was born near Winchester, Kentucky. My grat grandmother was said to be a full-blood Cherokee, Elsie Berry. My father was not enrolled in 1851. My grandfather was a doctor in Georgia and they moved from Georgia to Kentucky and never were on the Rolls since 1835. Elizabeth Yates was my mother, my grandmother was Nancy B. Yates. My father gets his blood through his mother Elsie Berry; she was the only child of Robert Berry. My father's mother was Nancy B. Harris before she married Yates. I think Elsie Berry married a Harris. My great-grandfather must have been a Harris. My grandfather was Larkin Yates. My grandfather was a doctor and used to doctor the Indians in Georgia. He married an Indian maiden in Georgia; her name was Nancy B. Harris and they left Georgia and came to Winchester, Kentucky. They never received Old Settler or any other money. They wrote to my grandmother if she wanted to be put on the Rolls of 1835. I dont know whether any of them were on the Roll of 1851. I think Robert Berry was on the Roll of 1835. I went to Dawes Commission and they said that I was entitled to citizenship but they said under the rules they could not admit. Joshua Yates is a brother to my father. Nancy Jane is a sister. I do not know any of the brothers and sisters further back. They are never associated with any other tribe of Indians. The name is Berry, and not Mayberry.

If you cannot answer any of the given questions, state why, that I may know it has not escaped your notice.

Why was he not enrolled with the Eastern Cherokees in 1851?

Were your grandparents on your father's side residing in 1835 and 1851? Were your parents or grandparents on either side Indians? If so, were they slaves of Indian or white people?

NORTHERN DISTRICT, AT MUSKOGEE

Eliza Mayberry et al
vs
the Cherokee Nation.
No. 78. Special Masters Report.

I, N A. Gibson, Special Master herein under the order of the Court heretofore made , show to the Court that under said orderI have examined the pleadigns and proof herein, which are herewith filed and made a part hereof and that I find as follows:

I

that this case was filed on the 8th day of September, 1896, onwhich day Application was made to the Commission to the Five Civilized Tribes for Citizenship by blood in the Cherokee Nation of Indians, that the said cause was tried by said Commission on the 23rd day of October, 1896 ,and the application denied, no reasons being given forthe said decision, and from this decision the applicants appealed to this Court on December 21.1907

II

That this application was made by Eliza Mayberry, Newton J.Eddings, Amanda E. Lewis, Rose C. Blankenship, Harvey A.Mayberry,John W. Blackburn, John W.Blackburn,Jr; Andrew A. Blackburn, Emma Shoemaker, Leveny Lovelace, Ophelia Curry John R.Middleton, Charles C.Middleton. Andrew S. Eddings, Susan C. Foster, Thomas E. Foster,John W. Foster, Wm F. Foster, Sarah J. Owen, Luther Blackburn Jane Brown, Mary F. Edwards, Dell Owen, Pleassnt F. Blackburn, William J. Blackburn, Andrew E. Blackburn, Sarah H. Jourdan,and Mary Hoard and her three children, all of whome are the great-grandchildren and great-great grand children of Dave Weaver, who lived among the Eastern Cherokees in what is now the state of Georgia and who is claimed to have been a Cherokee Indian by blood and a recognized member of the Cherokee Nation,

II

That the parties filed in support of their application the affidavits of Andrew E Blackburn, W J. Blackburn, Thomas J. Taylor, Richard D.Eddings, James B. Eddings, C R. Harris, John F. Eddings, Samuel P. Hill,Joseph Alsup Andrew S. Eddings and John Ross, and a certified extract from the Roll of the Cherokee Nation taken in the year 1835,showing that Dave Weaver, his six boys and one girl were enrolled asCherokees, and that he lived in Cherokee County Georgia,near Sharp Mountain creek. that the proof shows that Dave Weaver had a daughterby the name of Elizabeth who married a man by the name of Eddings, andthat she had a daughter by the name of Frances who married a man bythe name of Blackburn, and who was the mother of Eliza Mayberry, the

Principal claimant herein, whose maiden name was Blackburn that these claimants are residents of the Cherokee Nation, Indian Territory wherein they have resided for the past eight years,

IV

that the claiments contend that under the showing made by themthat Dave Weaver,s name appears upon the roll of the Cherokee Nation for the year 1835 they being now residents of the Cherokee Nation, they are entitled to be admitted to citizenship in the Cherokee Nation as citizens by blood, while the Cherokee Nation contends that Dave Weaver,s name does not appear on the Rdl of the Cherokee Nation since the removal west to the Presant location, and that hence under the law applicable to cases of this nature these claimants are not entitled to be admitted to the Cherokee Nation as citizens thereof the premises considered, I find that these claimants are the desendants of Dave Weaver, whose name appears upon the Roll of the Cherokee Nation for the year 1835 , that the proof does not show thatthe said Dave Weaver ever came to the present Cherokee Nation, or was enrolled here as a member thereof, that these vlaimants are persons ofCherokee Indian blood and descent, and that they are now residents of the Cherokee Nation, Indian Territory,I respectfully ask that the court will allow me a reasonable fee for my servis herein as Special Master, Respectfully submitted this 8th day of June 1897,

N A. Gibson,
Special Master.My fee paid

BY THE COURT:)-From this report it appears that the claimants base their right to be enrolled as citizens of the Cherokee Nation upon the fact tha they are Cherokee Indians by blood. Some of the claimants have resided in the Cherokee Nation for seven or possibly eight years it does not appear that any of them have ever been recognized as citizens of the Cherokee nation as now constituted theJudgment of the United States Commission rejectiong this case is affirmed, and the application of the claiments to be enrolled as citizensof the Cherokee Nation is denied.

I, N A. Gibson, Special Master herein under the order of reference herein made by the Court, certify that the above and foregoing is a true and correct copy of the report filed by me in the case ofEliza Mayberry et al. vs the Cherokee Nation, and also of the Judgmentof the court rendered in said cause. William Brown, being duly sworn, deposes and says:

My name is William Brown. I am 58 years old. I have always lived in Georgia. I have known applicants since immediately after the war. They claim from thier father, and have always claimed Cherokee blood. I do not know that their father ever enrolled. I do not know that he ever applied. I never heard any reason why their father was not enrolled. His mother was owned by Samuel Farr. Their father looked like an Indian and was proud of it. Alfred Crow claimed through his mother, Maria Farr. This is all I know about this claim.

COURT OF CLAIMS
EASTERN CHEROKEES.
No. JAN 25 1909

App. #8398.

July 29, 1907.

Miram V. Williams,

Turnersville,

Texas.

Madam:-

Replying to your letter of July 17, 1907, you are advised that the applications for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees have not yet been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

You will be notified if there is any further information required in connection with your application.

Very respectfully,

NLC.

Special Commissioner.

Jinnie Axe being first duly sworn, deposes and says: through Ross Smith, who was duly sworn and qualified as interpreter:

That I am 55 years of age. Both of my parents are full blood. My father is dead but my mother is yet living. My father lived in Polk Co., Tenn. when he left here and that was about 40 years ago. I was born in Polk Co., Tenn. My father was born in Jackson Co., N. C., Aquilla settlement. Te-kah-se-no-kih, was my father's Indian name. My mother's name was Sah-ko-nih or Sah-kin-no. My mother's English name was Sallie Catt. My mother is dead as I don't know how old. She lives in this county. My brother's wife is Sallie Catt. I had a brother named John but he is dead. My mothers wife's name was Te-kin-nih. My oldest sister's name was An-nih or Annie. I had a brother called Cau-ne-te. My father's father was Te-nih or Te-neh. My grandmother's name was Ah-we-na-kih or Ah-we-no-ekih. I don't know whether my grandparents were living at the time of the Civil War. I was quite a little girl. Cau-he-nic was my mother's mother. My mother's father was Su-s-a-la-ta. My parents never received any money from the government nor did I. I did not get any money myself. The last payment was made by a man named Scotland; don't know why I did not get any. My brothers and sisters older than I were paid by Scotland but I was under age. My father died a long time after the war. My father lived with the Cherokee tribe up to the time he died in Polk Co., Tenn. beyond Ducktown. He was a member of the Cherokee tribe and he did everything that the rest of the Indians did. My mother was recognized there. They were both baptized and joined the church. I live with the Indians as a member of the tribe. There are about four or five families living in the settlement where I live. Am living on Indian land. I don't remember having heard of a man named Hester. Have heard of the roll being made out by a man by that name. Don't know whether I was on that roll or not. I suppose that the whole family's names were on that roll but I was too young. I never received any money from the government. The older ones may got land but I was born too late for that. My father was not married more than once. I am a full blood Cherokee. My husband is dead and his name was John Davis Axe. The Indian is John Def-so. He was a full blooded Cherokee. When my father died he was in something like 30 years and it was about 30 years ago.

All I know is that my father spent his life around Ducktown until he died. My english name is Jane Catt. My Indian name was Chin-nih. (Hester 928) My father had a sister by the name of Na-leh-a,--English name Betsey. Na-leh-a married Jacob Bird. His Indian name See-quah-neek. I have a full sister by the name of Na-ce, and she is about one year older than I am. I have a sister by the name of Stacy Taylor. Johnson Catt is my full brother. I have a daughter living by the name of Polly Bird. Her father was John Goins--his right name was John Welch. Polly Bird has a daughter by the name of Margaret Catt, whom I am raising. Dear Sir,

Inclosed find three applications for participation in the award of the Court of Claims for the Eastern Cherokees:

Abel Kanought, Columbus Kanought, Polly Saunders.

These are the last of the claims to be sent in from this place. I have had to go to the homes of quite a number of the Indians to get their affidavits, onaccount of sickness or other infirmity, which prevented them from getting their claims completed. I beleive that all worthy claimants from this reservation have now completed their claims.

Very respectfully,

COURT OF CLAIMS

Rec. JUN 8 1907
No. 8403

App. #8103.

June 17, 1907.

William L. Franklin,

R. F. D. No. 1,

Fairy, Texas.

Sir:-

Your letter of June 4, 1907, relative to your application for participation in the Eastern Cherokee fund, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be duly notified.

Very respectfully,

Special Commissioner.

Action: Reject.

Name James G Walker and — children. Residence: Siloam Springs, Ark.

Reasons: Claimant states in letter that his father was born in 18/20/1814 and moved west to Arkansas in 1835. None of the parents or grandparents nor the name of applicant appear on any roll and claimant states that he doesn't know of them being on any roll. In any event applicants father left the East before the treaty of 1835 was promulgated and could not have been a party to it. Claimant does not set up anything either in his application or letter to entitle him or make a prima facie showing and was notified to appear and testify at Siloam Springs, Ark. and failed to appear.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, give the date of your father's birth, the county and state in which he was born, and when he moved west to Missouri. Where were your grandparents on your father's side residing in 1835 and when did they move to Missouri? If your father or grandparents on your father's side ever lived with the Eastern Cherokees, state definitely when and where.

Why was your father not enrolled with the Eastern Cherokees in 1851? Why have you never been enrolled with the Eastern Cherokees? Were your parents or grandparents on either side slaves? If so, were they slaves of Indians or white people?

Very respectfully,

Special Commissioner.
